* No more than 1 course may be at the 500 level.

** These courses are available only on-line in conjunction with A.T. Still University, School of Health Management (<http://www.shm.atsu.edu>). UNA students taking these courses to fulfill a HCM concentration must complete an application for transient approval form for A. T. Still University. [See your graduate advisor for form.] Cost of each HCM Specialization Course will be paid directly to A. T. Still University at their current tuition/fee cost. This may reflect an increase in the student's overall cost for the MBA program.

NOTE: All students must complete a Graduation Application form two semesters prior to their anticipated graduation date. To obtain a graduation form, go to <http://www.una.edu/registrar/> and click on the link for Graduation Application/Information.
