				Tues. Dec. 1 st - 5:00 Raburn 110

Watch for more group sessions! Majors may have different procedures. Accounting and CIS majors should see their individual advisors if classified as upper-level. All other majors should see their individual advisors if they cannot attend an Advising Session. Locate your advisor for all majors and undecided business by: Go to UNA Portal, go to Self Service Banner, then the Student Tab, then Student Records, then View Student Information, then select the Term (Fall 2009), and Submit. You should see your assigned advisor in the general student record information. Students will receive individual advising and their PIN numbers at the Advising Sessions. **BE PREPARED!!!**
